A note from the Executive Director

Saratoga Children's Theatre is a 501(c)3 that has been providing the greater Saratoga region with educational and inspiring children's theater programs and acting classes for 10 years. Our mission is to instill a lifelong love of performing arts into our local community. Each year we enrich the lives of over 500 students through 7 weeks of Summer Camp, MainStage Musical Shows, Private Acting & Voice Lessons, Acting Classes, Workshops and our most recent addition of Dance & Workout Classes for all levels!

At SCT, we hire theatre and music professionals from the Capital Region and New York City in order to give our students the highest quality education. Our staff works hard to provide a safe environment while encouraging our students to push their limits and embrace their individuality. We often say that theatre is not about theatre; it is about history, math, science and so much more. Programs at SCT incorporate many of these subjects by using team building exercises, research, physical activity and group discussion. These programs are designed to help educate students of all levels in these life skills.

Leigh Berenis,
 Executive Director

THEATRE IS...

"SCT was absolutely invaluable to me, allowing me to express myself creatively in so many ways that I never thought possible. I learned so much about myself through their programs and I'll forever be grateful for the opportunities they allowed me."

-Noah, Drama Major at NYU's Tisch School Of The Arts, Class of 2019

"My first time performing with them was the summer before I went off to college. I was able to not only grow as a performer, but also as a person, learning in a healthy, nurturing, and fun environment."

-Maria, BFA Musical Theatre, Pace University class of 2021

"My experiences at SCT helped me grow into the best version of myself that I could be. The incredible staff are there to teach you so much more than just theatre, and I wouldn't be doing what I am today without their help and guidance."

-Greg, B.S. Theatre Management at Syracuse University, Class of 2020

WALL OF GIVING

At SCT we strive to provide our students with the best theatre arts education possible. Our production costs are very high and ticket sales alone do not cover the cost of our expenses. If you are not interested in becoming a SPONSOR, there are other ways to show your support! Below you will find a list of typical products SCT has to purchase on a regular basis.

All donors will be acknowledged in our Theatre programs.
